

Guy Newman

KEYNOTE SPEAKER, OLYMPIAN, MINDSET EXPERT, LEADERSHIP
COACH, CORPORATE TRAINER & PODCAST HOST

MAKING YOUR MESSAGE STICK

The stories Guy tells inspire people to become their best self. He uses a combination of storytelling, humour and mindset models to captivate your audience.

Using his own personal experiences with success and failure as well as 25 years of Professional Development delivery combine to help your conference message stick.

➤ SPEAKING TOPICS

Guy is a thought leader in, and often asked to speak about:

- Motivation and Mindset for Success
- Innovating and Thinking differently for the future
- Resilience & Growth
- Beyond Resilience with Anti Fragility
- Inspirational Leadership

“ Thank you for the great talk today, it was one of our best ‘keynotes’ for quite some time (and I have been a member for 5 years!)”

- Dan Blight, Elevate PG

CLIENTS INCLUDE

“ There are very few people who can fully satisfy a large team of extroverted personalities, but Guy did this like no other. It was tailored for our business, and he always arrives with and maintains 100% energy throughout. Our employees thrive by putting their learnings into practice”

- Yvette Thompson, Industry Sales Manager, Intrepid Group

Guy Newman has over 35 years experience speaking and training around the world. He is a mindset and memory expert, who's keynotes entertain, motivate, and educate. Bringing real-world experience, energy, humour and his own rather colourful past to create dynamic keynotes that help you get your message across.

Guy takes the time to find out about the specific outcomes you want and where you are heading as an organisation. He then mixes business nous with an instinctive story-telling ability to take you there.

“ Guy Newman was a delight to work with and a stand-out favourite for our delegates. Guy engaged our audience from the outset – he made them laugh, made them cry and made them think differently. On top of this, he was very generous in speaking and socialising with our delegates before and after his presentation. Above and beyond!

Lisa Bennetto, CEO, MAV Technology
